COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Mail Stop ISSUE FEE
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This communication is being filed in response to the statement of reasons for allowance that accompanied the Notice of Allowance of September 29, 2006.

It is respectfully submitted that the stated reasons for allowance do not accurately summarize the recitations of independent claims 1 and 18. Therefore they cannot be considered to limit the scope of either independent claim 1 or independent claim 18, or of any of the allowed dependent claims. To the extent that the stated reasons for allowance may be considered

relevant, it is respectfully submitted that they merely provide examples of why the allowed claims may be considered to define over the prior art, and should not be considered to limit the scope of any of the allowed claims. Further, the stated reasons for allowance should not be considered to limit the scope of equivalents available to any of the elements recited in the allowed claims.

The scope of each of the allowed claims should be construed in accordance with the plain language provided thereby.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Brick G. Power", with a long horizontal flourish extending to the right.
